

RESOLUTION NO. GEB 36.

Subject: Reciprocal Training for Members

WHEREAS, many employers travel to and employ members of many different District Council and Local Union jurisdictions and

WHEREAS, many projects require Health & Safety or skills training and

WHEREAS, it is important for the IUPAT to help our industry partners man work with a skilled certified workforce in a timely fashion.

THEREFORE BE IT RESOLVED that in an effort to provide greater access to training for all IUPAT brothers and sisters and to offer a broader range of programs, the IUPAT strongly urges all trustees of local JATFs to use their best efforts to amend their trust documents to provide for "Reciprocal Training," which will allow local members to train at any other JATF and make its own programs available to all IUPAT members, regardless of their District Council or Local Union affiliation.
