2. The parties to this Agreement hereby agree that any and all grievances and disputes which arise between them, or between employees covered by this Agreement and the Employer, concerning the interpretation or application of this Agreement shall be submitted to the Joint Trade Board for final and binding resolution in accordance with the provisions set forth in this Article.

3. The Joint Trade Board is empowered to hear and decide all grievances and disputes which arise between the parties as to the interpretation or application of this Agreement; to award or assess remedies, damages, and penalties for violations of this Agreement; to issue interpretative rulings or other rules and regulations as it deems necessary to give force and effect to the purpose and intent of this Agreement; to investigate all grievances and disputes submitted to it, including the conduct of employers and audits of employer records; to recommend amendments to or changes in this Agreement, but only upon request of both parties; to appoint such persons or committees as may be necessary to aid the Board in the performance of its duties; and to demand of Employers who repeatedly violate this Agreement the posting of a cash or surety bond to assure future compliance.

7. Decisions, awards, or orders of the Joint Trade Board shall be final and binding.

8. In administering and conducting dispute resolution activities and when issuing decisions, awards, or orders in relation to grievances or disputes submitted to it, the Joint Trade Board and the members of the Joint Trade Board shall function as arbitrators and not as the representative of any entity that is party to such dispute. Accordingly, it is agreed that the Joint Trade Board and its members shall enjoy all the rights, privileges and immunities afforded to arbitrators under applicable law and the decisions of the joint Trade Board shall be entitled to the same stature, weight, and deference as may apply to a decision of an arbitrator under law.

9. The Board shall maintain full and complete records and minutes of its proceedings, which records and minutes may be inspected at reasonable times by the parties to this Agreement.

10. The Joint Trade Board, as such, shall not accept or receive any payments or contributions from Employers. Each party to this Agreement shall reimburse its representatives on the Board for actual expenses. Expenses and fees of arbitration shall be shared equally by the parties.

11. On receipt of such notice, the Joint Trade Board shall choose an arbitrator. If the Board cannot agree on an arbitrator, it shall promptly request a list of arbitrators from the Federal Mediation and Conciliation Service (FMCS) [or the American Arbitration Association (AAA)]. On receipt of such a list,
the chairman and secretary of the Board shall select an arbitrator from such list in accordance with the rules and regulations of the FMCS [or AAA]. The decision of the arbitrator shall be final and binding.

12. With respect to any individual Employer that fails to comply with a final and binding decision issued at any level of this grievance procedure, the Union may, in its discretion: (a) terminate this Agreement by 48 hours written notice to such Employer, or (b) continue this Agreement in effect but not be bound or restricted by any "no strike" clause or similar obligation hereunder, and/or (c) resort to any legal recourse available to it, including a job action or strike.

13. There shall be no strike or lockout on any job over any grievance or dispute while it is being processed through this grievance procedure and until said procedure has been exhausted. However, and notwithstanding any contrary provision of this Agreement, the Union may remove employees from any job(s) of an individual Employer who fails or refuses to pay the wages and/or fringe benefits provided for and required by this Agreement, or refuses to stand trial under these procedures, or fails to comply with a final and binding decision issued at any level of this grievance procedure. Nothing stated in this Section shall preclude the Employer from resorting to the grievance procedure with respect to any action or sanction taken or imposed by the Union hereunder.

14. Notwithstanding Sections 11 and 12, a final and binding decision, rendered as part of the grievance procedure, regarding the subcontracting clause of this Agreement shall be enforced solely through administrative or judicial proceedings.
