ARTICLE 1
PREAMBLE & PURPOSE

For purposes of clarification, the prior Western Washington Area Agreement for the Professional Painting Industry dated March 1, 2010 - February 28, 2015 expired on February 28, 2015. From March 1, 2015 to November 30, 2015, the parties agreed to be bound to the terms of the prior Agreement. Although the term of this Agreement is from March 1, 2015 to February 29, 2020, any changes included in this Agreement will become effective December 1, 2015.

1.1 This is a Collective Bargaining Agreement between the International Union of Painters and Allied Trades District Council 5 (“IUPAT District Council 5”), also referred to as the Union and (Contractor), also referred to as the Employer. The Employer hereby recognizes IUPAT District Council 5 as the sole and exclusive bargaining representative, within the meaning of Section 9(a) of the National Labor Relations Act (“the Act”), of all Employees employed on all jobsites engaged in painting and drywall work as defined in Article 2 of this Agreement within the jurisdiction of the Union.

1.2 The purpose of this Agreement is to establish harmonious relations and uniform conditions of employment and contributions to the Trust Plans between the parties hereto, to promote the settlement of labor disagreements by conference and arbitration, to prevent strikes and lockouts, for the Union to provide manpower, for the parties to utilize more fully the facilities of the Apprenticeship Training Program, to promote efficiency and economy in the performance of all activities of protective and/or decorative finishes as described in this Agreement, and generally to encourage a spirit of helpful cooperation between the Employers and Employees to their mutual advantage and protection of the investing public.

1.3 When, in the opinion of any party to this Agreement, certain work might be secured for Employers signatory to this Agreement, and the present terms and conditions of work contained in this Agreement are not consistent with efficiency or practicality or the competitive position of the Employers then the terms and conditions contained in this Agreement may be modified to govern such project, geographical area or type of work. The consent, in writing, of the Union and the Employer shall be required to modify said terms and conditions.

1.4 If the Union grants any Employer more favorable wages, benefits, hours, or working conditions than listed in this Agreement, then any signatory Employer shall be entitled, after request, to the same conditions for similar work in the same area. The Union’s Business Manager, in order to protect and recover bargaining unit work, shall have the authority to modify this Agreement for single jobs or for particular branches of the trade, provided that there be no unlawful discrimination between Employers in the exercise of this prerogative. It will be the Union’s obligation to notify WWSPE’s custodian of records of such labor contracts, memorandums of understanding, or any other agreement within seven (7) working days upon execution of such documents.

1.5 The Employer agrees to be bound to this Agreement while working in the following counties of Western Washington: Whatcom, Skagit, Snohomish, King, Pierce,
Thurston, Lewis, Grays Harbor, Jefferson, Clallam, Mason, Island, San Juan and Kitsap, or to be bound to the Area Collective Bargaining Agreement for the Painting Industry in effect in any other part of the states of Washington, Oregon, Alaska, Utah and Idaho while working in those areas.

1.5.1 When working outside the counties covered by this Agreement an Employee covered by this Agreement shall receive the wages and benefits most favorable to the Employee. All fringe benefits shall be paid into the Employee’s “home” fund. The difference in total package should go on check.

ARTICLE 4
RIGHTS OF THE PARTIES

4.1 The Union retains all rights except as those rights are limited by the express and specific language of this written Agreement. Nothing anywhere in this Agreement shall be construed to impair the right of the Union to conduct its affairs in all particulars except as expressly and specifically modified by the express and specific language of this written Agreement. It is further agreed that nothing contained in this Agreement shall be construed as limiting the Union’s right to control its internal affairs and discipline its members who have violated the Union’s Constitution and Bylaws, or who have violated the terms of this Agreement.

4.1.1 The Employer agrees to comply with the Union’s periodic requests to re-dispatch all Employees. The Employer will also cooperate with the Union, the Western Washington Painter Labor Management Cooperation Committee or Joint Apprenticeship and Training Committee to implement a photo ID system for all Employees. It is understood that these activities are to ensure the Employee’s compliance with this Agreement and that the Employee’s status with their present Employer is not altered in any way resultant of these administrative activities.

4.2 Except as specifically limited by this Agreement the Employer shall have the exclusive right to manage its business, to control and supervise all operations and direct all working forces, including but not limited to the right to select and hire, discharge (with or without
cause except as expressly provided to the contrary in this Agreement), promote, transfer, or schedule Employees, to control and regulate the use of all equipment, materials, tools and other property of the Employer and to maintain efficiency among his/her Employees.

4.2.1 The parties agree that an Employer may employ “management trainees”, whom would be able to perform work under the scope of this Agreement but are exempt from the terms of this Agreement. A “management trainee” is strictly defined as the son or daughter of an officer, owner or superintendent of an Employer.

4.3 Except as expressly otherwise provided in this Agreement, there shall be no strike, sympathy strike, work slowdown or any other work stoppage, or lockout, during the term of this Agreement.

4.4 It shall not be a violation of this Agreement for Employees to refuse to pass through or work behind a legitimate picket line recognized by the Building and Construction Trades Council in the area where the work is performed. Employees covered by this Agreement shall have the right to respect any legal primary picket line validly established by any labor organization, and the Union party to this Agreement has the right to withdraw Employees covered by this Agreement whenever the Employer party to this Agreement is involved in a legitimate primary labor dispute with a bona fide labor organization.

4.5 Because of the hazardous nature of the work, the Employer has the right to test for illicit substances.

4.6 An Industry Board shall be established, consisting of five (5) members from Management, appointed by the WWSPE President, and five (5) members from Labor, appointed by the BM/ST of IUPAT District Council 5, or their designees. The Industry Board will meet to conduct business on an as needed basis. The Industry Board shall have the authority to interpret and amend this Agreement, to appoint committees as may be desired within the industry, to promote the industry and to interpret the intent of the negotiators of this Agreement. The Industry Board cannot alter or move any wages or trusted contribution absent a vote from the Membership. Such vote must occur within sixty (60) calendar days of the Industry Board’s request. Neither the Industry Board (nor any member thereof) shall be subject to any claims for fiduciary liability or any other responsibility, known or unknown, for or of their actions or inactions pursuant to this Agreement.

4.6.1 An Industry Board meeting may be requested by either the President of WWSPE or the BM/ST of IUPAT District Council 5, or their designees.

4.6.2 The Industry Board shall meet no later than fifteen (15) calendar days after receipt of request for a meeting. However this time limit may be waived by written mutual consent.
4.6.3 Any business brought before the Industry Board shall be decided by majority vote of those present. A quorum shall be a minimum of two (2) representatives from Management and two (2) representatives from Labor. For voting purposes there must be equal representation from each side.

4.6.4 The Industry Board shall appoint a four (4) person market-share subcommittee; two (2) representatives from WWSPE and two (2) representatives from IUPAT District Council 5. This committee shall be empowered to recommend amending the Western Washington Area Agreement in order to capture work not presently being done by signatory Employers or to increase market-share in work currently being done by signatory Employers (e.g. bridges, platforms, containment).

4.7 The right of any applicant for employment may be suspended in accordance with the following provision(s):

4.7.1 Should any person referred for employment be terminated for just-cause, his or her referral privileges shall be suspended for two (2) weeks. Should the same individual be terminated for cause a second time within a twenty-four (24) month period, his or her hiring hall referral privileges shall be suspended for two (2) months. Should the same individual be terminated for cause a third time within a twenty-four (24) month period, his or her referral privileges shall be suspended indefinitely.

4.7.2 A termination shall not be considered “for just-cause” for purpose of this provision if the person referred for employment has filed a grievance challenging the propriety of his or her termination, unless and until the grievance is resolved in a manner that affirms the termination for just cause. For the purpose of this provision, a decision of the District Council Joint Trade Board shall be final and binding.

4.7.3 A Joint Trade Board, composed of two (2) members appointed by the BM/ST of IUPAT District Council 5 or his/her written designee and two (2) members appointed by the WWSPE President or his/her designee may, upon written request of the applicant, vacate or reduce the period of suspension should the Committee determine that equity requires such action. Such grievance will be heard in accordance with Article 9.

4.7.4 The reference for “Just Cause” throughout this Agreement does not limit an Employer’s rights to terminate an Employee for any reason under Section 4.2, but instead defines only that subset of terminations of an Employee invoking these “Top Workplace Performance” provisions under Section 4.7.

ARTICLE 5
PROTECTION OF RIGHTS
5.1 An Employer who is party to this Agreement shall not subcontract any work covered by this Agreement to be done at a construction job site to any Employer unless such Employer is a party to a collective bargaining agreement with the IUPAT District Council 5 or unless identified otherwise in Sub-section 5.1.1 and Sub-section 5.1.2.

5.1.1. However, the parties agree that the Employer may subcontract certain specialty-only work to non-signatory subcontractors or subcontractors signatory to another union. For the purpose of this Section specialty-only will be defined as wallcoverings, fireproof coatings, fiberglass coatings, cathodic coatings, elastomeric roof coatings; scaffolding, rigging and platform erection and dismantling; high pressure water and abrasive blasting of any kind. Both parties agree there is a need to be more flexible in regards to specialty-only work with a mutual understanding of working together to increase market share of this specialty-only work. Therefore, in the event that specialty-only subcontracting is deemed necessary the Employer agrees to contact the Union, in writing via electronic mail, facsimile or US Mail, prior to work being performed and provide the name of the specialty-only subcontractor and the scope of work being subcontracted for organizing purposes.

5.1.2 Whenever the Employer is desirous or obligated to satisfy WBE/MBE/DBE or its equivalent requirements, be they recruiting, contractual or otherwise, via Joint Venture or subcontracting, in an effort to capture work, the Union and the Employer, by mutual agreement, will waive Section 5.1 prior to commencement of the work provided that such agreement is reduced to writing prior to the published bid time and the Employer and Union were unable to find qualified competitive signatory WBE/MBE/DBE or its equivalent Employers. Absent aforesaid agreement in writing, the Employer will be obligated to all current wage and contributions as listed in this Agreement for all compensable hours worked.

5.2 It is the intent of the Employer and the Union to protect all job-site work which has been traditionally performed by the bargaining unit or which is fairly claimable as bargaining unit work. Accordingly, except as provided in Section 5.1 of this article, all painting work as defined in Section 2.1 and Section 2.2 shall continue to be performed on the job site or at any location designated by the Employer, by Employees covered under this Agreement, so long as it is within the geographic territory of the Union. The Employer shall not directly or indirectly perform, undertake, accomplish or attempt to perform, undertake or accomplish any painting work, as defined in Section 2.1 and Section 2.2, except in complete compliance with all terms and provisions of this Agreement. The term “Employer” includes any person acting directly or indirectly as an agent for the Employer. This Agreement shall not apply to work at the Employer’s shop, provided that such shop is covered by a separate collective bargaining agreement.

5.3 The Union and any job stewards, business representatives, or other agents of the Union agree to cooperate with the Employer in achieving maximum efficiency and productivity and to work with WWSPE and the Employer to eliminate inefficiency,
work stoppages and production limitations. It shall be considered to be contrary to
the purposes and intent of this Agreement for any Employee to work for other
Employers after their regular day’s employment with one Employer, or for any
Employee to take jobs on their own and on behalf of their own selves after regular
hours of employment or during weekends, holidays and vacations. Employees
working under this Agreement have a duty of confidentiality with respect to the
business operations of signatory Employers for whom they work. Confidential
information shall be defined as information, not generally known, related to the
business of the Employer including but not limited to the names of customers, staffing
levels, or any detail of bids. Any Employee who is found to have violated the terms of
this provision shall be subject to immediate discharge.

5.4 In the event the Union claims that the Employer has violated any of the wage, travel,
subsistence or trust contribution provisions of this Agreement, the Union shall be
permitted to take economic action. In the event that the Union takes economic action
pursuant to this Section, the Employer shall be liable for up to five (5) working days
lost wages and trust payments on wages sustained by the Employer’s Employees. If
the Employer deposits a certified check in the amount claimed by the Union to be due,
made payable to the Union, with a local bank and gives the Union notice that this has
been done, the Union shall be required to refrain from further economic action and to
submit the matter to the Industry Board and the procedures outlined in Article 9 shall
apply.

5.5 The parties hereto agree that an act of a member of the Union shall not be binding on
the Union unless such an act is expressly authorized by said Union.

ARTICLE 6
UNION RIGHTS & RESPONSIBILITIES

6.1 All Employees covered by this Agreement who are members of the Union on the date
of execution of this Agreement shall be required by the Employer to maintain their
membership as a condition of employment. All Employees who are not members of
the Union on the date of the execution of this Agreement and all Employees employed
after the execution date of this Agreement shall, on and after the eighth day following
the date of employment, whichever is later, be required by the Employer to become
and remain members of the Union as a condition of employment. This section shall
not apply to Supervisors or Utility Workers.

6.2 In the event that an Employee fails to tender the administrative processing fee or that
a member of the Union fails to maintain membership in accordance with provisions of
this Article the Union shall notify the Employer in writing via certified mail or return
response electronic mail.

6.3 The Union agrees that there will be no discrimination in referrals for employment
based on race, religion, color, age, sex, national origin, disability or veteran status.
ARTICLE 7
EMPLOYER RESPONSIBILITIES

7.1 The following requirements shall be applicable to all Employers who are parties to this Agreement.

7.1.1 The Employer shall not require any Employee covered by this Agreement to report at the job site or in the Shop more than thirty (30) minutes before working time.

7.1.2 The Employer shall be required to pay all wages and fringe benefits as specified in the Agreement for all bargaining unit work. Initial time spent by a new hire for Employer orientation is not considered bargaining unit work. Time spent traveling to any Employer directed drug or alcohol testing, other than pre-employment testing, will be paid at the dispatched wage rate or current base wage rate; whichever is greater. The Employer will not be obligated to any wages in this Section should the test results be positive.

7.1.3 The parties to this Agreement hereby expressly waive the provisions of City of Seattle Ordinance 123698, requiring paid sick leave and any other similar ordinances adopted by any other city, municipality, county, state and/or federal government within the jurisdiction of and duration of this Agreement.

7.1.4 The following information shall be required when an Agreement is signed: A current Washington State Contractors Registration number. The Employer may also be required to provide evidence of an acceptable bookkeeping system or accounting facilities including proper time cards for all Employees, and suitable payroll check stubs and other records required by law. The Union will provide copies of this information to WWSPE. (“Suitable” shall mean Employer’s name and address and Employee’s name and social security number.)

7.1.5 The Employers signatory to this Agreement acknowledge and agree to comply with the requirements of Federal and State laws, Executive Orders, Equal Employment Opportunity laws and other rules and regulations governing civil rights to insure that there shall be no discrimination in employment against any Employee or applicant for employment because of race, religion, color, age, sex, national origin, disability or veteran status.

7.2 The Employer party to this Agreement, when engaged in work outside the geographical jurisdiction of the Union party to this Agreement, shall employ, when available, not less than fifty percent (50%) of the workers employed on such work from the residents of the area where the work is performed or from among persons who are employed the greater percentage of their time in such area.

7.3 The Employer party hereto shall, when engaged in work outside the geographic jurisdiction of the Union party to the Agreement, comply with all the lawful clauses of the Collective Bargaining Agreement in effect in said other geographic jurisdiction and
executed by the Employers of the industry and the Affiliated Local Unions in that jurisdiction, including but not limited to, the wages, hours, working conditions, fringe benefits, and procedure for settlement of grievances set forth therein: provided however, that as to Employees employed by such Employer from within the geographic jurisdiction of the Union party to this Agreement and who are brought into an outside jurisdiction, such Employee shall be entitled to receive the wages and conditions effective in either the home or outside jurisdiction whichever are more favorable to such Employees and fringe benefit contributions on behalf of such Employees shall be made solely to their home funds in accordance with their governing documents. This provision is enforceable by the Local Union or District Council in whose jurisdiction the work is being performed, both through the procedure for settlement of grievances set forth in its applicable Collective Bargaining Agreement and through the courts, and is also enforceable by the Union party to this Agreement, both through the procedure for settlement of grievances set forth in this Agreement, and through the courts.

7.4 Preservation of Work Clause – To protect and preserve for the Employees covered by this Agreement, all work they have performed and all work covered by this Agreement and to prevent any device or subterfuge to avoid the protection and preservation of such work, it is agreed as follows: If the Employer performs on-site construction work of the type covered by this Agreement under its own name or the name of another, as a corporation, company, partnership or other business entity, including a joint venture, wherein the Employer through its officers, directors, partners, owners or stockholders, exercises directly or indirectly (through family members or otherwise) management, control, or majority ownership, the terms and conditions of this Agreement shall be applicable to all such work.

7.4.1 All charges of violations of Section 7.4 shall be considered as a dispute and shall be processed in accordance with the provisions of this Agreement on the handling of grievances and the final and binding resolution of disputes. As a remedy for violations of this Article, the Industry Board or Arbitrator shall be able at the request of the Union to require an Employer to pay 1) to affected Employees covered by this Agreement including registered applicants for employment the equivalent of wages those Employees have lost because of the violations, and 2) into the affected Joint Trust Funds to which this Agreement requires contributions and any delinquent contributions that resulted from the violations. The Industry Board or Arbitrator shall be able also to provide any other appropriate remedies whether provided by law or this Agreement. The Union shall enforce a decision of the Industry Board or Arbitrator under this Section only through arbitral, judicial or governmental (for example, the National Labor Relations Board) channels.

7.4.2 If after, an Employer has violated this Section, the Union and/or the Trustees of one or more Joint Trust Funds to which this Agreement requires contributions institute legal actions to enforce an award by an Arbitrator or the Industry Board remedying such violation, or defend an action that seeks

This Section does not affect other remedies, whether provided by law or this Article, which may be available to the Union and/or the Joint Trust Funds. Should the Employer be found not in violation of this Section, costs incurred to defend will be borne by said Trust.

7.5 All Employees shall be entitled to meal and rest periods as defined by the Washington State Administrative Codes (WAC); and there shall be provided by the Employer sanitary facilities consisting of a reasonable number of toilets and urinals; fresh drinking water will be available to Employees; furnish all personal protective clothing and equipment required at the jobsite excepting Section 14.3.

ARTICLE 8

8.3 The Employer shall abide by all applicable local, state, and federal safety and health standards, laws, and regulations. Alleged violations of safety standards, laws and regulations are subject to the grievance and arbitration provisions of this Agreement. Nothing in this Agreement shall be construed as modifying the Employer's obligation to provide a safe workplace or as imposing upon the Union a duty to assure a safe workplace. The Union and the Employees shall bring these matters to the Employer's attention.

8.4 Both Union and Employer agree that both the Employer and the Employees will abide by all the safety rules, including regulations as stated in Section 8.3.

ARTICLE 9
GRIEVANCE PROCEDURE

9.1 All grievances or disputes between the Union, Employee and the Employer arising during the term of this Agreement shall be settled in accordance with the provisions of this Article. The terms "grievance" and "dispute" include, but are not limited to, cases of violation, misunderstanding or differences in the interpretation of this Agreement. There shall be no slowdown or stoppage of work as relates to said grievance. All parties pledge their immediate cooperation to eliminate the above-mentioned possibilities or concerns, and the following procedure is outlined for that purpose.

9.2 No claim for back pay, travel time, subsistence, overtime or any pay due and payable each week will be considered if filed later than sixteen (16) calendar days from the normal scheduled payday in question. However, this shall not preclude the right to hear any complaints during the term of this Agreement wherein the evidence indicates a condition of continual violation or to take such remedial action as the situation may demand consistent with the intent and purpose of this Agreement.

9.3 The Grievance Committee shall be two (2) Management members from WWSPE, appointed by the WWSPE President or his/her designee and two (2) members from Labor, appointed by the IUPAT District Council 5 BM/ST or his/her designee, and a fifth (5th) member at large, chosen by mutual agreement of the other four (4) Grievance Committee members.
9.4 The Industry Board shall establish procedural and record keeping guidelines for Grievance Committees to interpret the intent of the negotiators of this Agreement. Neither the Industry Board nor the Grievance Committee (or any member thereof) shall be subject to any claims for fiduciary liability or any other responsibility, known or unknown, for or of their actions or inactions pursuant to this Agreement.

9.5 In the event a grievance or dispute arises, a representative of the Union shall attempt to settle the grievance or dispute by contacting the Employer involved.

9.5.1 Employees feeling they have a grievance will bring such concern first to their Employer for resolution; an Employee is not prohibited from bringing their assigned Union Representative to this first inquiry meeting or discussion. In the event the Employer fails to resolve the issue within two (2) calendar days the Employee is to bring it to the attention of the Union whom will collectively attempt to mutually resolve on the Employee’s behalf.

9.5.2 Any grievance not resolved by means of Section 9.5.1 must be presented in writing by the Union to the Employer within sixteen (16) calendar days of the facts giving rise to its occurrence or within fourteen (14) calendar days if a Union Representative was in attendance at the initial meeting in 9.5.1

9.5.3 Failure by the Union to present the written grievance within the time limits referenced in Section 9.5.2 or to timely advance said grievance through this procedure will constitute a waiver.

9.5.4 The Employer shall respond in writing within fourteen (14) calendar days of such written notice or, if no response is provided within such time period, the grievance or dispute will be settled in favor of the aggrieved.

9.5.5 In the event the grievance or dispute is not resolved, either the Union or the Employer is authorized to refer the grievance or dispute to the Industry Board provided that such referral must be in writing with copies to all parties, and presented within fourteen (14) calendar days. However, any of the time limits mentioned in this Article may be waived by mutual written consent of the Employer and the Union.

9.6 Neither individual party (aggrieved or grievant) involved in a dispute shall be a part of the Grievance Committee and the decision of the Committee shall be final and binding upon all parties.

9.6.1 The full Committee will hear each dispute or grievance and voting will be by secret ballot. The majority decision of the Committee shall be final and binding.

9.6.2 Either the Employer or the Union is authorized to refer this matter to arbitration within ten (10) calendar days after decision.
9.6.3 Neither party shall have the right to representation without mutual agreement.

9.6.4 Neither party shall have the right to electronically record any proceedings under this Section without mutual agreement.

9.7 Matters referred to arbitration will be so submitted by the affected parties to the American Arbitration Association (AAA) for a binding decision. In such instances, the affected parties to the dispute shall appoint an arbitrator to review the matter and render a binding decision. Either party to the dispute will request a list of seven (7) names from the AAA and the parties shall alternately strike names from the list. The remaining name shall be the arbitrator. If the parties are unable to reach a mutually agreed upon arbitrator, the American Arbitration Association shall make the designation. The affected parties in the arbitration shall equally share in the cost of such arbitration.

9.8 The arbitrator shall only have jurisdiction and authority to interpret, apply or determine compliance with the provisions and articles of this Agreement. Any award by the arbitrator will be final and binding. A copy of the award must be submitted by the arbitrator to the Industry Board as soon as such award is rendered, and in no way greater than forty-five (45) calendar days after the hearing.

ARTICLE 10
TRUSTS

10.1 Employers signatory to this Agreement are required to make contributions to the following Funds: Employee Painters Trust, Western Washington Painters Defined Contribution Pension Trust, The Painters and Allied Trades Labor-Management Cooperative Initiative, District Council 5 Apprenticeship and Training Trust Fund, Finishing Trades Institute, International Painters and Allied Trades Industry Pension Fund, Painters Progression Fund and Western Washington Signatory Painting Employers Fund. Each Employer shall make reports to the Trusts (see Article 21) and remit the reports with contributions, if any due, to Western Washington Painters Pension Trust (hereafter called the central distribution point) or such other place as may be designated. The report and payment must be postmarked by the post office no later than the last day of the month following the month in which hours were worked. If in the opinion of a CPA, as provided for in Section 10.4 and Section 10.5 of this Article, employed by the Union or any of the Trust Funds, the Employer has failed to maintain accurate time records, it shall be conclusively presumed that each Employee who performed any services in a given week worked a minimum of forty (40) hours in that week.

10.1.1 For the purpose of computing trust fund contributions the Employer shall multiply the hourly contributions rate set forth in this Agreement and by the current Schedule A by the hours of work as reflected by the Employee’s time cards for the period in question.
10.2 In the event an Employer fails to make any of the contributions or remittances as required by this Agreement, such Employer shall be required to pay, in addition to the principal sum due, reasonable attorney’s fees and the costs of collection. In the event suit is initiated, it is agreed that such suit shall be filed in a court of competent jurisdiction (either State or Federal) located in King County, in the State of Washington.

10.3 By entering into this Agreement, the Employer adopts and agrees to be bound by the terms of the Trust Agreements establishing the Funds referred to in this Article and agrees to be bound by all past and future lawful acts of the Trustees of each such Fund. The Employer shall not be bound by the terms of any Trust Agreement or the actions of the Trustees of any Trust Fund unless the Employer is obligated to make contributions to such Fund pursuant to this Agreement.

10.4 The Trusts or the Union shall have the authority to appoint a CPA who shall have the right to enter upon the Employer’s premises at reasonable time, during normal business hours, and inspect and copy business records and conduct other relevant duties to function as ordered by the Trusts or Union. Such records as required by said agent to perform these duties will be provided by the Employer.

10.5 It shall be the duty and right of the Trustees of the Trusts to audit each Employer party to this Agreement at least once during the life of the Agreement. The net costs of any such audit shall be borne pro rata by the Trusts. Any new Employer must be audited at or near the end of its first year anniversary. The Trustees of the Trust Funds may audit an Employer at random, pursuant to an audit cycle, for cause or for any reason deemed appropriate by the Trustees.

10.6 If an Employer audit conducted under the authority granted by this Agreement reveals an underpayment of either wages or fringe benefits (Health & Welfare, Pension, Apprenticeship, Labor/Management Trust, etc.) the Employer shall be required to pay the contributions, interest, liquidated damages and audit costs pursuant to the Trust document.

10.7 The Trustees of each of the Trusts shall be obligated to accept contributions from any Employer who is party to an agreement with the Union, unless the Employer’s right to participate in the Trust Fund has been terminated. The term Employer as used in this Article includes governmental and quasi-governmental entities.

10.8 Employers having working agreements with Unions affiliated with the International Union of Painters and Allied Trades may participate in the Trusts by adopting the Agreement and Declaration of Trusts and conforming to regulations as determined by the Trustees of such Trusts.

10.9 Election and terms of Trustees shall be in accordance with the Agreement and Declaration of the Trusts.

10.10 WESTERN WASHINGTON PAINTERS LABOR MANAGEMENT COOPERATION TRUST: The Employer and the Union agree to the continuation of the Trust, the objectives of
which are to establish and operate joint labor management activities designed to improve labor management relations, job security, communications, organizational effectiveness, and other subjects of mutual interest, including study and exploration of new and innovative joint approaches to achieve organizational effectiveness; to eliminate potential economic problems which reduce competitiveness and inhibit the economic development of the industry; to enhance the involvement of workers making decisions that affect their lives; and to expand and improve working relationships between workers and Employers.

ARTICLE 11
EMPLOYMENT OF EMPLOYEES

11.1 Except as specifically limited by this Agreement and (with or without cause except as expressly provided to the contrary in this Agreement), the Employers shall have entire freedom of selectivity in hiring and may discharge any Employee for any cause which they may deem sufficient.

11.2 Painters, Tapers and Apprentices will be hired in the manner set forth in this Article. Separate hiring halls will be maintained by IUPAT District Council 5 or by each Local Union party to this Agreement. Hiring halls will be operated on an open and non-discriminatory basis for employment of Employees of this particular trade, including Painters and/or Tapers or indentured Apprentices, previously employed by Employers signatory to this Agreement and non-member workers who may make application for a place on the appropriate out of work list.

11.3 When an Employer desires to hire Painters, Tapers or Apprentices, a request shall be made to IUPAT District Council 5 or the Local Union that has jurisdiction over the job. If the order is not filled within twenty-four (24) hours (Saturday, Sunday and holidays excluded) the Employer can hire from any source. The Employer shall report the name, address and social security number of any Employee hired outside the hiring hall to IUPAT District Council 5 or the Local Union having jurisdiction over the job within forty-eight (48) hours after the Employee begins work.

11.3.1 Each Employer agrees that at the time of employment, or within forty-eight (48) hours of any Employee beginning work covered by this Agreement, such Employer shall secure from the Employee a “Referral Check Off Sheet” (see Attachment 1) and a work referral slip (dispatch) and the slip shall indicate that an authorization form has been signed by the Employee, and is on file at the Local Union office. The Employer will be provided with a copy of the authorization form.

11.4 The Union shall maintain a list of available applicants, on an open nondiscriminatory basis. The Union shall refer applicants for employment, without unlawful discrimination against such applicants, by reason of Membership in the Union, race, religion, color, age, sex, national origin, disability or veteran status. Separate out-of-work lists will be maintained for Painters and Painter Apprentices. The Painter lists
will be divided into three parts: “A”, “B” and “C”. The “A” list shall consist of all applicants for employment who have demonstrated their craft knowledge by having worked a period of two (2) consecutive years for Employers who have established collective bargaining relationships with IUPAT District Council 5 or have graduated from a Federal/State registered apprenticeship program. The “B” list shall consist of all applicants for employment who can demonstrate their craft knowledge by demonstrating that they were employed as a Painter for three (3) consecutive years. The “C” list shall consist of all other applicants seeking employment as a Painter. Unemployed applicants may register in any Union covered by this Agreement; however, no applicant shall register in more than one Local Union at any time. Any applicant who registers on the out-of-work lists maintained by IUPAT District Council 5 or any of the Local Unions party to this Agreement will be removed from such lists and required to re-register if said applicant is registered at more than one Local Union at any time. All applicants must re-initial their respective list every thirty (30) days. Failure to do so will be cause for the Local Union to remove such applicant from the list.

11.5 Upon receiving a request for Painters and in the absence of a specific request by name, by the Employer, the Union will first refer from the “A” list in the order in which they are registered, after the “A” list is exhausted then from the “B” list in the order in which they are registered, after the “B” list is exhausted then from the “C” list in the order in which they are registered. It is agreed that the Employer may request applicants by name. Such requests will be honored by the Union if said employee has been previously employed by the Employer, and the requests are made in writing, by electronic mail, facsimile or US mail and the applicant meets the qualifications to be registered on the “A”, “B” or “C” list. Any Painter Apprentice that becomes dropped from the apprenticeship training program by the Joint Apprenticeship Training Committee will be limited to the “C” list.

11.6 Special skills requests will be recognized if “A”, “B” or “C” list applicants having such skills are available, regardless of their position on the “A”, “B” or “C” lists. Employers may request for dispatch specific applicants who currently possess certain owner required credentials (e.g. security credentials), regardless of their position on the “A”, “B” or “C” lists. Requests for applicants with special skills or owner required skills must be confirmed in writing, by electronic mail, facsimile or US mail, within forty-eight (48) hours.

11.7 No Union representative or dispatch personnel shall knowingly direct, request or order any Union member, currently employed by any Employer in good standing, to leave said Employer and report to work at a different Employer, without first notifying both Employers, in writing by electronic mail, facsimile or US Mail, forty-eight (48) hours before such action.

11.8 Employees who are working within the geographical area covered by this Agreement for an Employer who is party to this Agreement may be transferred from job to job any place within the area covered by this Agreement without being dispatched to such subsequent jobs. However, all new hires shall be hired through IUPAT District Council
5 or the Local Union in whose jurisdiction the job site is located, if such are available. If not, the Employer may hire from any source.

11.9 The Union will fill out the “Referral Check-Off Sheet” (see Attachment 1), which is part of the referral slip, when dispatching Employees. The Union shall be required to make every effort to ensure that all dispatched employees report to work with all items required of them, as described on the “Referral Check-Off Sheet”, in this Article and elsewhere in this Agreement.

11.10 Employers shall notify the Joint Apprenticeship and Training Committee office within five (5) days of any Apprentice terminated, laid off or who quits.

11.11 Before dispatching applicants to any general or building contractor, the Union will, whenever possible, give at least forty-eight (48) hours prior notice to WWSPE’s custodian of records so that they may have an opportunity to contact such contractor concerning the possibility of contracting for the work to be done.

ARTICLE 12
PAINTER APPRENTICES

12.1 All Apprentices shall be registered with the local Joint Apprenticeship and Training Committee (JATC) and the Washington State Apprenticeship and Training Council (WSATC).

12.2 Each Employer may employ one Apprentice to each Journeyman Painter, unless their right to train Apprentices has been revoked by the Joint Apprenticeship and Training Committee. However, this ratio will not supersede the ratio requirements set in the State Apprenticeship Standards, which may be obtained from the Joint Apprenticeship and Training Committee or the Finishing Trades Institute Northwest office. This shall not limit the obligation of the Employer to train Apprentices nor shall it be construed to replace Painters.

12.3 The Joint Apprenticeship and Training Committee will endeavor to make available, insofar as possible, steady employment to all Apprentices.

12.4 Employers and members of the Unions agree that all Apprentices working in the trade shall attend school where established for the training of said Apprentices, and assist in the enforcement of all rules and regulations now in effect and hereafter adopted by the Joint Apprenticeship and Training Committee.

12.5 Subject to Section 12.11, all Apprentices shall pass both written and hands on tests, as administered by the Joint Apprenticeship and Training Committee for a specific period of Apprenticeship prior to advancement to the next period of Apprenticeship. Prior to the Employer advancing the Apprentice, the Employer shall have the option to verify that the Apprentice has passed the required testing.
12.6 All Apprentices failing to attend assigned classes, except by legitimate excuse, may be immediately removed from their work by an authorized representative of the Joint Apprenticeship and Training Committee and may not be permitted to return to said work until a hearing has been held before the Joint Apprenticeship and Training Committee and the matter settled to the satisfaction of said Committee.

12.7 Positively no Apprentice shall be sent to out of town work that will interfere or prohibit them from attending school classes.

12.8 No Apprentice shall be allowed to use a spray gun or work on a swing stage until they have completed the related classroom training as prescribed by the local Joint Apprenticeship and Training Committee, providing such training will be within the first year of the program.

12.9 Painter Apprentices sent to jobs shall be accompanied by a Painter until said Apprentice has had one and one-half (1½) years’ experience at the trade.

12.10 An exception to Section 12.8 may be obtained by the Employer providing the beginning Apprentice is trained in the use of swing stages and spray painting by the Employer. Upon written request from the Union, the Employer will provide written documentation of training provided.

12.11 Completion requirements for apprenticeship training will be determined by the Joint Apprenticeship and Training Committee.

ARTICLE 13

13.1 The BM/ST of IUPAT District Council 5, or his/her designee, shall have the authority to appoint all Shop Stewards and Job Stewards. The BM/ST, or his/her designee, also has the authority to remove a Steward. The Union shall notify the Employer in writing of the appointment and removal of its Stewards. Stewards shall be appointed from the present work crew of the Employer.

13.2 Stewards’ duties are to check all working cards of Foreman, workers and Apprentices and to check dispatches of newly hired workers, and to report the same by use of the Stewards Report to the Business Representative of IUPAT District Council 5 in the area the work is being performed. The Steward, as a working Journeyman, shall be allowed a reasonable amount of time to perform his/her duties that cannot be performed outside of working hours.

13.4 The Steward shall be the last person to be laid off, provided he/she is qualified and able to do the job available to him/her, except Foreman, touch-up and specialty Painters.

If contractors do not designate in writing to the District Council of the Local Union that their shop, the courthouse, or the Union Hall shall be used as a starting point for the purpose of computing travel time, the Employer’s shop shall be considered the starting point and shall not be changed for the life of this Agreement.

16.2 In the event the Employee lives closer to the job site than the Employer’s base of operations is located, the Employee’s home shall be used as the starting point for the purpose of travel pay. ARTICLE 17
WAGES & CLASSIFICATIONS

17.1 All wages, travel and subsistence pay shall be due and payable by negotiable check payable on demand at par, by lawful currency in an envelope or by direct deposit. In either case a receipt (check stub) showing the Employee’s and the Employer’s names and addresses, rate of pay, dates and hours worked, both regular and overtime, travel and subsistence pay, and all deductions made and amount due will be provided to the Employee by either paper or electronic copy. No more than seven (7) calendar days' pay shall be held back. Payments shall conform with all provisions pertaining to the payment of Employees as required in this Agreement and Federal and State laws. Violation of this clause shall be deemed sufficient reason for removal of Employees by a Local Union and/or IUPAT District Council 5 representative, and said removed Employees shall be paid waiting time as per Section 17.5.

17.2 In the case of an out-of-town contractor, a reasonable time or arrangement must be allowed to secure the Employee’s pay, but in such cases the waiting period shall not start until the beginning of the 2nd shift, in which the discharge or layoff occurred except Saturday, Sunday and holidays. Employees must report to the Union not later than 12:00 noon the following day after such wages are due and payable. Established pay day shall be recorded with the Union by all signatory members to this Agreement. Requests for additional time, or variations to this section, must be filed with the Local Union or the District Council prior to any change in the regular pay period.

17.3 It is agreed by the Union that the wages and conditions described in this Agreement are the minimum wages and conditions for dispatching of Employees and no Employee shall be permitted to work for any Employer signatory to this Agreement for wages or under conditions below the minimum described herein, except as set forth in Section 1.4 and Article 15. It is expressly bargained and understood that it
will not be a violation of this Agreement and nothing shall prohibit the Employer, in its discretion, from paying wages in excess of the minimums set forth herein.

17.3.1 It is expressly bargained and understood that the Employer is entitled to pay bonuses and that it will not be a violation of this Agreement and nothing shall prohibit the Employer, in its discretion, from paying such from time to time. The payroll records shall contain an entry which clearly discloses when a particular Employee receives bonus pay. Bonus pay is not subject to any bargained contributions.

17.4 Monies earned shall be due and payable once a week on the job, at the Employer’s point of dispatch, by mail or by direct deposit to the Employee’s account at quitting time, except where additional time is requested and found to be to the mutual advantage of all parties concerned.

17.5 Employees laid off for lack of work, discharged or those who quit must be paid in full by the next regular pay period. These Employees may receive their pay at the Employer’s place of business, by direct deposit or by mail. Failure to do so, or failure to pay an Employee on the regular pay day, or payment of an Employee by NSF or otherwise non-negotiable check, shall constitute a separate and willful violation of this Agreement. If an Employee incurs NSF charges because of having received a NSF check from their Employer, the Employer will be liable for all NSF charges from the Employees bank. In such instances the Union may, at its discretion, assess damages against such Employer to the extent of time and one-half (1½) of the Employee’s regular rate of pay for all “waiting time” including Saturdays, Sundays, or holidays, not to exceed five (5) days pay at time and one-half (1½) or to take any remedial steps as outlined in the Agreement. Waiting time shall be construed, for the purpose of this Section, as not more than eight (8) hours in any twenty-four (24) hour period during which an Employee has not received pay.

17.6 The refunding of wage (commonly referred to as kickbacks) to Employers or the acceptance of said refund (or kickbacks) by an Employer shall constitute a distinct and separate violation of this Agreement.
