

**FCA Safety Update**

**The Construction Industry Alliance for Suicide Prevention**

FCA is a proud member of the Construction Industry Alliance for Suicide Prevention. Construction is the number one industry for number of suicides and the number two industry in suicide rates. As such, it is an industry imperative to shatter the mental health stigma and create caring cultures within our companies. [Click here](#) to learn more about the alliance, its events and available resources for suicide prevention.

**FCA Safety Webinars on YouTube**

Missed one of FCA's past safety webinars? [Click here](#) to access a playlist featuring all our webinars on YouTube!

**FCA Toolbox Talk Program**

Is your company taking advantage of FCA's Toolbox Talk Program? The program is free of charge to FCA members and features a comprehensive library of talks (in both English and Spanish) that are both trade and industry specific. The program also features a calendar of talks members can follow. If you would like to take advantage of this program, contact [Darlene Shonder](#).

**FCA Safety Calls**

The FCA Safety Calls are open to all FCA members and held on the **fourth Tuesday of every non-summer month** at 2 PM CT. All FCA members are welcome and encouraged to participate. The next call will be held **Tuesday, Sept. 26 at 2 PM CT**. Contact [Darlene Shonder](#) if you are interested in attending.

**Your Safety Questions Answered by Professionals at No Cost!**

**FCA SAFETY Line™**  
**(844) 414-SAFE**

The FCA Safety Line is free to any FCA member. Dial the number above or email [safetyhelpline@finishingcontractors.org](mailto:safetyhelpline@finishingcontractors.org) to have your questions answered by a safety professional!

**Forklifts**

Forklifts account for a staggering 96,700 injuries each year, and in 85 of those incidents, employees' lives are cut tragically short.

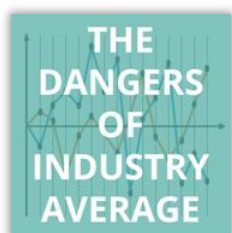

These injuries are not limited to forklift operators alone. Many involve other workers performing their duties near forklifts...

**PPE Focus: Safety Glasses**

When safety glasses are required, do your employees always wear them? The sad reality is that many would answer no when asked this question...

[Read More -->](#)

**The Dangers of Industry Average**

For many companies, industry average is the end goal, thinking 'we're sitting among the competitors in our industry if we can achieve these numbers.' However, the harsh reality is, you can be OSHA compliant and still have workers being injured or killed...
